

Anuj kandel

Eager to learn, Confident, Dedicated

I am a very dedicated person. I have a attitude that we don't fail but we learn. I will always be open to learning new things. I love to code and see myself as a person who enjoy being challenged. I am a team player . I give cent percent effort to the task that I am allocated. I have a strong background of coding and have always find myself enjoying it. I have good communicating skill and am passionate about my work.
